

Final program of the EAAP Horse Commission “Horse Tour”.

The tour has been defined and is on the EAAP website

The program for the tour is very interesting and looks like this:

Tour **TT4** (Horse tour) will be on Tuesday 26th August 11.30 – 17.00-17.15 arrival to the hotels.

The “Horse tour” presents you to a blend of interesting research facilities and topics in relation to horse training as well as to some of the classical and historical views of royal Copenhagen. We will get a guided round trip in the royal stables, built in the 1740ties and one of the few royal stables left in Europe. The tour includes a presentation of recent research at Copenhagen University and afterwards lunch. After lunch the trip goes to Carlsberg brewery for a horse-related experience with one of the National breeds of Denmark - the Jutlandic draft horse - and refreshments.

Royal stables: <http://www.visitcopenhagen.com/copenhagen/the-royal-stables-at-christiansborg-palace-gdk705005>

Copenhagen university: <http://www.ku.dk/english>

Carlsberg brewery: <http://www.visitcarlsberg.dk/Pages/front.aspx>

Price: 225 DKK

We want to highlight for those of you that are interested in attending that the “Horse tour” **will take place August 26th and not on August 29th** as the other technical tours.
